### **Morning Routine**

The gates open at 8:45 and the children come straight into the Nursery. To increase independence, children in the Nursery are encouraged to organise their own belongings, placing water bottles and snacks in the correct places as well as hanging up their bags and coats. The gates will then shut at 9:00am.

### **Booklet**

Each term you will receive a leaflet containing information about the objectives your child will be focussing on for that term. Inside this booklet there will be ways in which you can support your child at home.

### **Learning Journals**

Your child's learning throughout their time in Purple Class will be documented in the form of a learning journal folder. There will be opportunities throughout the year where we will invite you in to look at these with your child.

### **WOW Vouchers**

Your child will be receiving a letter with some WOW vouchers. These are vouchers that you can fill in about your child's achievements at home. Please send in any pictures, photographs or certificates with the Wow vouchers so that we are able to display them in the Nursery.

### **Helping in school**

If you would like to help in class or on school trips you will need a current DBS check. Forms are available at the school office.

### **Home time**

School finishes at 15:00 Monday, Tuesday, Thursday, Friday and 11.45 am Wednesday morning and 15:00pm Wednesday afternoon.  
Please inform staff if your child is going to be picked up by somebody different. (They will require your child's password if they are not a known adult to a member of the nursery staff.
